*The Rise of Evil Chicken*  
*By Andrea, Malik Huit, Natalie Tores and Kaidon Brown*

**Evil Chicken:** *Has a mohawk.*

**Emma:** *Wears boots, pants, cowboy hat and shirt. Carries a purse that has useful items in it.*

**Chicken Slayer:** *Wears a sheriff's hat and sword just for show. Always has his Jordans on and carries Louisiana Hot Sauce.*

**Drift:** *Dreams of playing football. Wears his gear. Gloves that have finger holes in them. He has glasses. He is the driver of the group. He drives lamborghini.*

*Setting: A fiery forest, the acid rain is falling down. On one side of a river is the Evil Chicken on the other our heroes. Behind Evil Chicken, you can see an old barn and a giant chicken coop.*

*The Evil Chicken surrounded by two bodyguards comes out of the earth and attacks our heroes...*

**Evil Chicken:** I'm gonna destroy your dreams...bwaha ha ha ha. You are never going to get out of this nightmare!

**Chicken Slayer:** I believe in peace in this world because the world could burn and turn into a devils zone.

**Emma:** Our dreams are worth fighting for Evil Chicken. Everyone has dreams and I know they can do it.

**Drift:** Like...I believe that I can play football because I try hard to be a pro.

**Everyone:** We do have dreams we do

**Drift:** It doesn't bother me if you don't believe because I will keep fighting until I get my day.

**Chicken Slayer:** And beside if you destroy this world, I will my tell my Mommy and Daddy on you and you will feel my wrath.

**Evil Chicken:** You will never be able to defeat me. What do I look like to you, a chicken?

*Evil Chicken's Guards throw these balls that have gas in them. The gas makes our heroes fall asleep.*

**Chicken Slayer:** We won't give up until we....are.....dead....

*heroes fall to the ground*

*When they wake up they are in different prison cells. It's the big green chicken coop guarded by lasers, sharks, zombies and robots. Lights are flickering. Seeds and eggs are on the ground. Our heroes have to sleep on the ground. There are scratches on the walls from tigers and other animals. They each have another person in their cell who have been there for many years.*

**Emma:** This looks like a chicken coop....maybe we can knock it down if we work together

**Drift:** Let's free all the prisoners

*They combine their powers to break down the walls. They put their hands together and push.*

**Emma:** It's metal but it starting to move

*They escape their cells*

**Chicken Slayer:** Now off to find Evil Chicken

*One of the guards steps forward. He has an epic scar on his face and he's wearing a coat.*

**Guard:** I think I can help with that. Evil Chicken has my family please defeat him and free them.

**Emma:** We'll do everything we can now where is he?

*The guard shows them to Evil Chicken's lair but he has betrayed them. It is a trap.*

**Guard:** I'm so sorry but Evil Chicken has my family. He said he would turn them into chickens.

*All of sudden steel bars close from all directions trapping them in groups separating them.*

**Evil Chicken:** Well well well....look who it is. Not even a day and you try to escape.

**Chicken Slayer:** What can we say? Chicken coops just aint our style.

**Emma:** What are we going to do?

**Chicken Slayer (whispering to Emma):** Try this. It's one of my inventions and it's the only thing that will defeat evil chicken, Louisiana Hot Sauce. A couple of drops of this and he turns into a cooked chicken.

**Emma:** Here use this hot sauce water gun. I'll mix the hot sauce with soap so it tastes bad too.

*Emma is small enough to fit through the bars. Drift throws her the hot sauce water gun. Emma sprays Evil Chicken. They defeat Evil Chicken with Louisiana hot sauce*

*Evil Chicken:* Noooooo that tastes so bad.....nooooo

*Evil Chicken turns into a cooked chicken*

*The heroes turn all of the chickens into humans again and release the prisoners. Our heroes sit down to eat...Evil Chicken with Louisiana Hot Sauce*

**Chicken Slayer:** Finally I get my Louisiana love

*Putting the hot sauce on Evil Chicken*

**Emma:** You always say that with that hot sauce.

The End
